Childrens Program Assistant

Description: Share your love of nature with children in our beautiful Wetlands Preserve! Let's get those children outside to experience and learn about our wonderful Florida environment!

You will assist staff and or lead students during activities which may include marsh hikes, boardwalk tours, dip netting, story telling, crafts, etc. Most activities will be outdoors and some will include hiking through various terrains, including mud and water.

Most programs occur on weekday mornings. Weekly 3 to 4 hour shifts preferred/minimum of three shifts a month required.

Required Skills: Must enjoy working outdoors with students of all ages. Must become familiar with various activities to know what equipment and/or materials are needed for each. You may choose to only participate in specific activities.

Training provided.

Minimum age 16 years old and up.

A completed Volunteer application and background check is required.
